

The Environment In Your Home

Draw lines to match the type of cleaner with the item that it should be used to clean.

When you are done, color the box **green** next to the cleaners that your parents let you use and color the box **red** next to the ones that might be dangerous for you to use.

1 Draw lines to match the cleaner with the item that it cleans.

Dishwashing liquid

Kitchen

Mop and bucket

Hands & faces

Spray surface cleaner

Dishes

Shampoo

Floors

Bar soap

Toilets

Toilet cleaner and brush

Hair

2 Color each box **green** if the cleaner is safe for you to use.
Color each box **red** if the cleaner is NOT safe for you to use.
