

# SAFETY DATA SHEET

Issue date 8 April 2018

FM000048-00.3

This product is packaged for retail sale and intended for consumer use. The U.S. OSHA Hazard Communication Standard (29 CFR 1910.1200) does not apply to "consumer products" as defined by the U.S. Consumer Product Safety Act and Federal Hazardous Substances Act, including consumer products used in the workplace under typical duration and frequency of exposure as experienced by consumers when used for the intended purpose. This Safety Data Sheet (SDS) is provided as a courtesy to assist with proper use and safe handling. Applicable consumer product use and safety information is provided on the product label and is included for easy reference in Section 16 of this SDS. This SDS is designed to cover both U.S. and Canada. Differences between U.S. and Canadian requirements are noted where applicable.

## Section 1: Identification of Product and Company

|                     |                                        |
|---------------------|----------------------------------------|
| Product Name        | Baby Wipes                             |
| Synonyms            | Free & Clear Baby Wipes                |
| Product Use         | Personal care                          |
| Restrictions on Use | Follow directions on the product label |

|                   |                                           |
|-------------------|-------------------------------------------|
| Manufacturer Name | Seventh Generation, Inc.                  |
| Address           | 60 Lake Street, Burlington, VT 05401, USA |

|                                                 |                          |
|-------------------------------------------------|--------------------------|
| Emergency Telephone Number                      | U.S., Canada             |
| Monday -Friday 8 am - 5 pm ET (except holidays) | 1-800-211-4279           |
| Outside these hours                             | 1-800-255-3924 (ChemTel) |

## Section 2: Hazards Identification

|                |                                                                                                                |
|----------------|----------------------------------------------------------------------------------------------------------------|
| Classification |                                                                                                                |
| U.S.           | This product is not considered hazardous under the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200). |
| Canada         | This product is not considered hazardous under the WHMIS 2015.                                                 |

## Section 3: Composition, Information on Ingredients

Regardless of hazard classification, Seventh Generation discloses all intentionally added ingredients and, if applicable incidental ingredients  $\geq 1\%$  on the consumer product label.

| Ingredient                                         | Function         | CAS Number | Concentration <sup>1</sup> | LD50 <sup>2</sup> |
|----------------------------------------------------|------------------|------------|----------------------------|-------------------|
| Cleansing solution:                                |                  | .          |                            | .                 |
| aqua (water)                                       | diluent          | 7732-18-5  | 30% - 100%                 | Not applicable    |
| cocoamidopropyl pg-dimonium chloride phosphate     | cleaning agent   | 83682-78-4 | $\leq 1\%$                 | 5000 mg/kg        |
| citric acid                                        | pH adjuster      | 77-92-9    | $\leq 1\%$                 | 5400 mg/kg        |
| quillaja saponaria wood extract                    | cleaning agent   | 68990-67-0 | $\leq 1\%$                 | >5000 mg/kg       |
| aloe barbadensis leaf extract                      | skin conditioner | 85507-69-3 | $\leq 1\%$                 | >5000 mg/kg       |
| tocopheryl acetate                                 | skin softener    | 7695-91-2  | $\leq 1\%$                 | >5000 mg/kg       |
| sodium benzoate                                    | preservative     | 532-32-1   | <0.5%                      | 4070 mg/kg        |
| Substrate:                                         |                  | .          |                            | .                 |
| blend of wood pulp, polypropylene and polyethylene | wipe material    | .          | 100.00%                    | Not applicable    |

<sup>1</sup> Where ranges are shown, the exact concentration has been withheld as a trade secret.

<sup>2</sup> LD50 Acute oral toxicity (rat) – This is a value provided by the raw material supplier or scientific literature. It is not a value generated by Seventh Generation by testing using rats. Seventh Generation uses alternative, non-animal based methods and scientific literature to determine the safety classification of our products and their ingredients.

# SAFETY DATA SHEET

## Section 4: First Aid Measures

|                                     |                                                                                                                          |
|-------------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Eye Contact                         | Flush eyes with water immediately after contact. Call a physician if irritation develops or persists.                    |
| Skin Contact                        | Rinse with water. Call a physician if irritation or rash develops or persists.                                           |
| Ingestion                           | Accidental ingestion of the wipe substrate may necessitate medical attention. If symptoms occur, seek medical attention. |
| Inhalation                          | If irritation occurs, remove to fresh air. If breathing is affected, call a physician.                                   |
| Notes to Physician                  | Treat symptomatically.                                                                                                   |
| Most important symptoms and effects | Acute exposure may result in eye irritation.                                                                             |

## Section 5: Fire Fighting Measures

|                                                       |                                                                                                                    |
|-------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|
| Suitable Extinguishing Media                          | As appropriate for surrounding fire. Use water, dry chemical, carbon dioxide or foam.                              |
| Unsuitable Extinguishing Media                        | Not available.                                                                                                     |
| Specific Hazards arising from the chemical mixture    | Not available.                                                                                                     |
| Hazardous Combustion Products                         | Not available.                                                                                                     |
| Protective Equipment and Precautions for Firefighters | Fire fighters should wear full protective clothing and self contained breathing apparatus as for surrounding fire. |

## Section 6: Accidental Release Measures

|                                         |                                                                                                                                                                                                                                                     |
|-----------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Personal Precautions                    |                                                                                                                                                                                                                                                     |
| Industrial Setting                      | Wear appropriate personal protective equipment (refer to Section 8).                                                                                                                                                                                |
| Environmental Precautions               | Avoid entry into lakes, streams, ponds or public waterways.                                                                                                                                                                                         |
| Methods for Containment and Cleaning Up |                                                                                                                                                                                                                                                     |
| Household Setting                       | Small spills and leaks may be cleaned up and disposed of in normal household trash.                                                                                                                                                                 |
| Industrial Setting                      | Before attempting clean up, refer to hazard data given. Pick up large pieces and place in a suitable container. Do not flush to sewer or allow to enter waterways. Dispose in accordance with all applicable local, state, and federal regulations. |

## Section 7: Handling and Storage

|                           |                                                                                                                   |
|---------------------------|-------------------------------------------------------------------------------------------------------------------|
| Safe Handling             |                                                                                                                   |
| Household Setting         | Use as directed on product label.                                                                                 |
| Industrial Setting        | Wear appropriate personal protective equipment (refer to section 8).                                              |
| Safe Storage              | KEEP OUT OF REACH OF CHILDREN AND PETS.<br>Store in original container and keep container closed when not in use. |
| Storage Incompatibilities | None known.                                                                                                       |

## Section 8: Exposure Controls, Personal Protection

|                                     |                                                                          |
|-------------------------------------|--------------------------------------------------------------------------|
| Exposure Limits                     | None known.                                                              |
| Engineering Controls                | Not applicable.                                                          |
| Personal Protective Equipment (PPE) |                                                                          |
| Household Setting                   | No special precautions necessary as long as product is used as directed. |
| Industrial Setting                  |                                                                          |
| Respiratory Protection              | None required under normal conditions. General ventilation required.     |

# SAFETY DATA SHEET

|                  |                                                                        |
|------------------|------------------------------------------------------------------------|
| Eye Protection   | Goggles or other protective eye wear may be worn for protection.       |
| Skin Protection  | Gloves may be worn for protection.                                     |
| Hygiene Measures | Handle in accordance with good industrial hygiene and safety practice. |

## Section 9: Physical and Chemical Properties

|                |                                                 |
|----------------|-------------------------------------------------|
| Physical State | Wet wipe                                        |
| Color          | White substrate                                 |
| Clarity        | Clear liquid when expressed from wipe.          |
| Odor           | Unfragranced. Characteristic of the ingredients |
| Odor Threshold | Not available.                                  |

|                                         |                 |
|-----------------------------------------|-----------------|
| pH                                      | 4.5 - 5.0       |
| Melting Point                           | Not available.  |
| Freezing Point                          | Not available.  |
| Initial Boiling Point and Boiling Range | Not available.  |
| Flash Point                             | Not available.  |
| Evaporation Rate                        | Not available.  |
| Upper Explosive Limit (UEL)             | Not applicable. |
| Lower Explosive Limit (LEL)             | Not applicable. |
| Vapor Pressure (mmHg)                   | Not available.  |
| Specific Gravity (H <sub>2</sub> O = 1) | ---             |
| Relative Density                        | Not available.  |
| Vapor Density (Air = 1)                 | Not available.  |
| Solubility in Water                     | Not applicable. |
| Partition Coefficient: n-octanol/water  | Not available.  |
| Viscosity                               | Not available.  |
| VOC (weight %)                          | Not available.  |
| Flammability                            | Not flammable.  |
| Auto-Ignition Temperature               | Not available.  |
| Decomposition Temperature               | Not available.  |

## Section 10: Stability and Reactivity

|                                    |                                                                                                                                           |
|------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity                         | None known.                                                                                                                               |
| Chemical Stability                 | Stable under normal conditions of use and storage.                                                                                        |
| Possibility of Hazardous Reactions | None known.                                                                                                                               |
| Conditions to Avoid                | None known.                                                                                                                               |
| Incompatible Materials             |                                                                                                                                           |
| Household Setting                  | In general, cleaning products should not be mixed with other household chemicals, unless specifically provided for in the use directions. |
| Industrial Setting                 | None known.                                                                                                                               |
| Hazardous Decomposition Products   | None known.                                                                                                                               |

## Section 11: Toxicological Information

|                                |                                                                              |
|--------------------------------|------------------------------------------------------------------------------|
| Potential Route(s) of Exposure | Eyes. Skin. Ingestion.                                                       |
| Effects of Acute Exposure      |                                                                              |
| Oral Toxicity                  | LD50 >5000 mg/kg, calculated based on ingredients.                           |
| Dermal Toxicity                | Not determined.                                                              |
| Inhalation Toxicity            | Not determined.                                                              |
| Eye Contact                    | Minimal Irritant. Not classified for eye irritation, based on in-vitro data. |

# SAFETY DATA SHEET

|                                                         |                                                                                                                    |
|---------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|
| <b>Skin Contact</b>                                     | Does not indicate a potential for skin irritation, based on Human Patch Test.                                      |
| <b>Component Information</b>                            | Refer to section 3 for ingredient LD50 (acute oral).                                                               |
| <b>Skin Sensitization</b>                               | Does not indicate a potential for allergic contact sensitization, based on Human Repeat Insult Patch Test (HRIPT). |
| <b>Respiratory Sensitization</b>                        | Not classified for respiratory sensitization, based on ingredients.                                                |
| <b>Carcinogenicity</b>                                  | Not classified - based on ingredients                                                                              |
| <b>NTP</b>                                              | No Ingredients Listed                                                                                              |
| <b>IARC</b>                                             | No Ingredients Listed                                                                                              |
| <b>OSHA</b>                                             | No Ingredients Listed                                                                                              |
| <b>Reproductive Effects</b>                             | Not classified - based on ingredients                                                                              |
| <b>Mutagenicity</b>                                     | Not classified - based on ingredients                                                                              |
| <b>Specific Target Organ Toxicity - Single Exposure</b> | Not classified - based on ingredients                                                                              |
| <b>Specific Target Organ Toxicity - Repeat Exposure</b> | Not classified - based on ingredients                                                                              |
| <b>Aspiration Toxicity</b>                              | Not classified - based on ingredients                                                                              |

## Section 12: Ecological Information

|                                      |                                    |
|--------------------------------------|------------------------------------|
| <b>Ecotoxicity</b>                   | Not available.                     |
| <b>Persistence and Degradability</b> | This product is not biodegradable. |
| <b>Bioaccumulative Potential</b>     | Not applicable.                    |
| <b>Mobility in Soil</b>              | Not available.                     |
| <b>Environmental Fate</b>            | No adverse effects expected.       |

## Section 13: Disposal Considerations

|                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|-----------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Waste</b>                    | Any disposal must be in compliance with applicable local, state, provincial and federal laws and regulations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| <b>Household Setting</b>                | Product residues in the container may be discarded in trash. Do not flush!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| <b>Industrial Setting</b>               | When disposed as waste in its original form, this product is not considered hazardous waste under Federal regulations, however regulations may vary by state or province and may designate it as hazardous waste. Check with your local waste and waste water authorities. We are aware of the following state waste classifications:                                                                                                                                                                                                                                                                                                                                                                                                               |
| <b>Connecticut Hazardous Waste Code</b> | CT04                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| <b>Empty Packaging</b>                  | Offer empty container for recycling. If recycling is not available, discard in trash. <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  <p><b>MULT-LAYER<br/>POUCH</b></p> </div> <div style="text-align: center;">  <p><b>Recycle if<br/>Clean &amp; Dry</b><br/><b>Store<br/>Drop-off</b><br/><b>PLASTIC<br/>WRAP</b></p> </div> <div style="text-align: center;">  <p><b>PAPER<br/>CARTON</b></p> </div> </div> |

## Section 14: Transport Information

|                                         |                                                                                                                                                                           |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>U.S. DOT</b>                         | Not regulated.                                                                                                                                                            |
| <b>U.S. States</b>                      | See U.S. DOT for finished product classification for transport.                                                                                                           |
| <b>Waste</b>                            | Regulated in some states if the product is disposed of in its original form as waste by commercial users/handlers. Refer to Section 13. for applicable state waste codes. |
| <b>Canadian TDG (Surface Transport)</b> | Not regulated.                                                                                                                                                            |
| <b>IMDG (Marine Transport)</b>          | Not regulated.                                                                                                                                                            |
